How to CREATE Your Ministry
Involvement Profile in MSP

First Time Users: To Create Your MSP Profile from your computer:

Go to the Church website, www.madisonchurch.org

NOTE: You cannot change your ministry preferences from the ShareFaith App on your phone.

The screenshot shows the Madison Church of Christ website. At the top left is the logo with the text "MADISON CHURCH OF CHRIST". At the top right is a navigation menu with links: "ABOUT US", "I'M NEW", "SERVE", "MEDIA", "IGLESIA", "LOGIN", and a "GIVE" button. The main image is a church service in progress, with a pastor at the front and a congregation seated in pews. Below the image are four white rounded rectangular buttons, each with an icon and text:

- STUDY**: Schedule a personal Bible study or join one of our weekly Bible studies.
- PRAY**: We believe in prayer! Click here to submit a prayer request to our shepherds.
- VISIT**: We would love to meet you! Click here to schedule your in-person visit with us.
- STREAM**: Click here to join us online for worship and Bible study each week.

We believe that everyone needs a friend, and everyone needs a job. On this page, you will find lots of useful information for getting plugged into the church. At the very bottom of the page, you will find a quick reference list of all ministries, deacons, and ministry leaders.

HOW TO GET PLUGGED IN

① Organization of Ministries

Click [HERE](#) to view the Organization of Ministries document. Here you will find a list of all Madison ministries with a mission statement and a list of areas for you to get plugged in using Ministry Scheduler Pro (see step 4). Listed at the bottom of this page is a quick reference list of the current ministries and leaders.

② Ministry Scheduler Pro (MSP)

Ministry Scheduler Pro (MSP) is our tool for involvement. It aids in scheduling and notifying ministry leaders of those looking to volunteer in each ministry. Click on the button below to create your profile. Use the tutorials located in the dropdown menu in the next section to guide you through creating and editing your MSP profile.
